Language Access Services Complaint Form

The San Luis Obispo Superior Court is committed to providing language access to all individuals who are unable to understand English. If you have a complaint about language access services, or would like to provide feedback regarding services you received, please complete the form below and return the form as indicated below.

The Language Access Coordinator will review and respond to all interpreter and language access complaints. The Court takes all complaints about language access very seriously and will address the concerns raised in an appropriate manner.

Please complete as much information as you can. *You do not have to give your name*, but it is helpful to know how to contact you so we may get more information if needed. Your complaint will NOT become a part of your case file or part of your case.

Please be aware that the Language Access Services Division does not have the authority to change or modify any decision made by a judicial officer and that its review of the complaint does not, in any way, affect or extend any applicable deadlines or procedural requirements such as filing motions, appeals, modification, etc.
